The Working Document for the Irish National Synodal Assembly, taking place in Gormanston, Co Meath, on 17 October, brings together the fruits of five years of prayer, listening and discernment and will guide delegates as they consider and vote on suggested actions to be presented to the bishops of Ireland. While the Assembly marks an important moment in the journey, the Synodal Pathway is now moving towards a new phase of implementation. Everyone is invited to read, pray with, and reflect on the Working Document and the question: "What does God want from the Church in Ireland at this time?" Please pray for all those taking part in the Assembly and for the guidance of the Holy Spirit. To access the Working Document and find out more, see www.synod.ie

MARRIAGE PREPARATION COURSES – for booking & information see www.MarriageEncounter.ie or www.courses.accord.ie

GRAVEYARD: Because burial ground in the parish is a very limited resource it is important to use it efficiently. For this reason, it is important that all new graves be deep enough for two coffins (a single grave is double deep). Only when more than two burials in a plot will be required can a double width be allocated. Guidelines can be read in the Church porch or on the parish website.

PARKING: Parishioners are requested to keep clear the forecourt of the filling station as large vehicles have been unable to access the pumps. Cars may park down in the farmyard. Please leave a place opposite the gate for the Magherafelt Priest. Thank you for your co-operation.
