GRAVEYARD: Because burial ground in the parish is a very limited resource it is important to use it efficiently. For this reason, it is important that all new graves be deep enough for two coffins (a single grave is double deep). Only when more than two burials in a plot will be required can a double width be allocated. Guidelines can be read in the Church porch or on the parish website.

PARKING: Parishioners are requested to keep clear the forecourt of the filling station as large vehicles have been unable to access the pumps. Cars may park down in the farmyard. Please leave a place opposite the gate for the Magherafelt Priest. Thank you for your co-operation.
